

**SUPPLIER DATABASE REGISTRATION INVITATION TO PROSPECTIVE SUPPLIERS TO APPLY FOR
REGISTRATION ON THE NANDONI DAM ECO PARK SUPPLIER DATABASE:**

The Nandoni Dam Eco Park (NDEP) is calling on all service providers who intend providing goods and services to the project to register on the NDEP procurement database. This is (done) in line with Clause 6.3 of the Procurement Guideline for EPIP Projects for the Implementing Agent to establish and keep a list of accredited prospective providers of goods and services that could be used for the project. Duly registered suppliers are allocated a reference number (PR number) which they shall always quote when they make proposals or queries with NDEP.

Non-registered suppliers will not be permitted to provide goods and services to the project. All appointments to provide goods and services will be made after a competitive bid process between registered suppliers and the Implementing Agent reserves the right to select individual goods from suppliers based on price.

Submission Requirements • Only the 5 CORE business/commodities must be stated; • E-mailed or Faxed submissions will be accepted. • Only submissions that comply with all the requirements and submitted by the closing date and time will be listed on our database. Queries in respect of this registration should be addressed to Cobus Scheepers or Michael Munzhedzi in writing on e-mail: info@mohlolo.co.za. No briefing sessions will be held and NDEP reserves the right to conduct site visits where deemed necessary. An invitation for registration of service providers on the database interested in doing business with the Implementing Agent, is extended to suppliers and service providers the NDEP database for the following:-

1. Building materials; 2. Site Security Services 3. Plumbing materials and consumables; 4. Electrical materials; 5. Standby generators; 6. Steel tank stands, plastic tanks and borehole equipment; 7. Paving materials and Kerbing; 8. Tools and Construction equipment; 9. Personal protective Equipment and clothing; 10. Rental of Shipping containers; 11. Pre- and post-project on-site Medical testing; 12. Rental / hire of equipment and transport; 13. Building Sand and River Sand; 14. Steel Traffic, Information and Project Signage Boards; 15. Supply and installation of Packaged Sewage Treatment Plant – 30kl/day; 16. Catering services; 17. Supply of food and beverage products; 18. Planting and horticultural services 19. OHS training 20.
